Local Solar Program Workshops

Join us for a special community and stakeholder workshop on LADWP's Local Solar Programs. This is an opportunity to learn about the status of our robust Feed-in Tariff Programs (FiT50 & FiT100) and Solar Incentive Program. We also plan to engage participants on exciting plans to expand FiT and create a brand-new Community Solar Program.

**Tuesday,
September 23, 2014**

3:00 p.m. – 5:00 p.m. (Session 1)

6:30 p.m. – 8:30 p.m. (Session 2)

LADWP John Ferraro Building
111 North Hope Street – A-Level Lobby
Los Angeles, CA 90012

Webinar: For those who cannot attend in person, the workshop will be set up as a Webinar. Details will be posted at ladwp.com/Solar.

Session 1: Feed-in Tarrif Program

3:00 – 5:00 pm

FiT offers contracts for eligible renewable energy projects located in LADWP's electric service territory. Learn how to utilize your large rooftops for solar installations and sell the clean energy to LADWP's grid!

- **FiT 50** – Beacon Bundled Solar (Q3 2014 – Q4 2016)
- **FiT 100** – 5th Allocation (Q1 2015) Expanded FiT (Q3 2015)

Session 2: Solar Incentive and Community Solar Programs

6:30 – 8:30 pm

The Solar Incentive and proposed Community Solar programs both provide customers the ability to invest in solar energy and reduce their electric bill.

- **Solar Incentive Program** – Customers install their own solar on their property for their own consumption.
- **Community Solar** – LADWP will build large community solar installations on City property for customers that are unable to do so themselves for various reasons, and allow participants to utilize the energy generated from the installations for their own consumption.

RSVP: Please visit ladwp.com/solar for more details and to RSVP.

Sign Language interpreters, Assistive Listening Devices, or other auxiliary aids and/or services may be provided upon request.
