

**Mar Vista Community Council
Annual Stakeholder Survey Results
June 26, 2007**

Please circle the letter that best represents your opinion
415 ballots received

Totals for each answer in red

Total number of additional comments for each question in blue

(A folder containing all of the surveys which included additional comments will be available from the Chair of the Election and Bylaws Committee during the next four Board meetings for perusal by Board members and stakeholders.)

-
- 1) Should the Santa Monica Off-Leash Dog Park be open to all dogs?
a) Yes, and the MVCC should become involved and advocate for opening the park to all licensed dogs 286
b) Yes, but this is not an issue for which the MVCC should become involved 43
c) No, Santa Monica has the right to exclude dogs and their owners from other cities 21
d) Not sure 19
e) This issue does not concern me 43
4 additional comments
- 2) What future use of the old Fire Station on Centinela would best serve Mar Vista residents? The Community Council should encourage the City of Los Angeles to use it for:
a) Homeless shelter 27
b) Senior Center 46
c) Teen/Youth Center 19
d) Combination Community Meeting Hall, Senior Center, Youth Center 282
e) Sell it 28
14 additional comments
- 3) Should the MVCC promote aggressive measures to reduce residential street cut-through traffic, even if these measures make it more difficult for MVCC residents to enter and exit their neighborhoods?
a) Yes, these aggressive measures are worth the inconvenience just to reduce cut-through traffic 184
b) Yes, these aggressive measures are a good idea, but the LADOT should be studying and carrying out them out; the MVCC should instead focus on other issues 34
c) No, but less aggressive measures that reduce cut-through traffic without inconveniencing residents is something that the MVCC should pursue 157
d) Not sure 21
e) This issue does not concern me 9
11 additional comments
- 4) What measures should be taken to reduce noise, environmental and other impacts from Santa Monica Airport?
a) Close the airport entirely 47
b) Keep the airport open, but reduce or eliminate jets from using it (non-jet air traffic only) 271
c) I like the airport the way it is; don't change anything 62
d) Not sure 19
e) This issue does not concern me 11
